The Regional Municipality of York Police Services Board has renewed a \$50,000 reward in an effort to solve the 1972 murder of a 16-year-old Toronto youth.

On Thursday, November 30, 1972, the body of 16-year-old Yvonne Leroux of Weston (Toronto), was located on 16th Sideroad between Jane Street and Keele Street in King Township. Blunt force trauma was determined to be the cause of death. The investigation revealed that Yvonne was last seen in the evening on November 29, 1972, near the York Finch General Hospital (known today as the Humber River Hospital), located at Finch Avenue and Norfinch Drive in North York (Toronto).

At the time of the murder, officers conducted interviews and investigated information supplied by the public; however, the death of Yvonne Leroux remains unsolved.

- Approximately 5'3", with a medium build
- Long, dark brown wavy hair
- Last seen wearing a navy-blue wool coat, a white shirt, blue jeans, a metal chain around her neck, and three-quarter length tan boots with zippers
